SUMMARY

Front End Web Developer with a Bachelor of the Arts in History and a never-ending desire to pursue greater knowledge. A critical thinker, always looking at different angles of any problem, and a team player. Regarded by previous staff, friends, and family members as empathetic, driven, and ever-curious.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript, React.js
Applications: Web APIs, Third-Party APIs, Server-Side APIs

PROJECTS

Run Buddy | **https://github.com/CJThom98/run-buddy** | **https://cjthom98.github.io/run-buddy/**
- Introductory project to front-end development. Website created for fictional fitness company.
- Guided through the beginnings of HTML and CSS
- Languages used: HTML5, CSS3

Robot Gladiators | **https://github.com/CJThom98/Robot-Gladiators** |
https://cjthom98.github.io/Robot-Gladiators/
- Game that lets players fight three robot combatants. Almost entirely JavaScript.
- Intro project to the JavaScript language
- Languages used: JavaScript

Password Generator | **https://github.com/CJThom98/password_generator** |
https://cjthom98.github.io/password_generator/
- JavaScript challenge, create language to allow for the generation of a random password
- Given starter code and created language to allow for functionality
- Languages used: JavaScript

EXPERIENCE

Substitute Teacher   2020-2022
Kelly Educational Services   Bryant & Benton, AR
Accept assignments through an online dashboard and report to the school at the assigned time. Read and execute teacher's lesson plan for the day, ensure students remain on task, and write a report of that day's activities to the teacher.
- Skills used: communication (verbal and written) and multi-tasking

Valet   Dec. 2021-March 2022
Parking Management Company   Little Rock, AR
Welcome guests as they arrive at the hotel and offer to valet their car for them. Write a ticket for their car and explain to the guest how the valet system works, primarily what to do when they want their car. Park car at the lot and ensure appropriate ticket is left in the vehicle for retrieval.
- Skills used: communication (verbal and written) and customer service

Customer Service Agent   May 2021-Aug. 2021
 Sykes Enterprises Inc. & Accredo Specialty Pharmacy   Malvern, AR
Receive phone calls from patients to schedule medication for shipment. Coordinate shipment with patient's doctor office and insurance company. Connect patients with appropriate department to address specific issues, i.e. billing, pharmacy.

- Skills used: communication (verbal and written), general PC knowledge, empathy

EDUCATION

Boot Camp Certificate: *University of Texas in Austin, Austin, TX*
A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node.js, MySQL, MongoDB, Express, Handelbars.js, and ReactJS.

Bachelor of the Arts: *John Brown University, Siloam Springs, AR*
Majored in History with a minor in Museum Studies. Areas of study in 20th Century World History, Independent Study of the History of the Middle East (emphasis on the Ottoman Empire), Poverty and Welfare in American History, and Ancient World History, Mycenaean Greece to the Fall of Rome.
